(1) Applications and filings submitted by mail shall be addressed to the Mellon Bank in Pittsburgh, Pennsylvania. The bank maintains separate post office boxes for the receipt of different types of applications. It will also establish special post office boxes to receive responses to special filings such as applications filed in response to "filing windows" established by the Commission. The address for the submission of filings will be established in the Public Notice announcing the filing dates. In all other cases, applications and filings submitted by mail should be sent to the addresses listed in the appropriate fee rules.

NOTE: Wireless Telecommunications Bureau applications that require frequency coordination by certified coordinators must be submitted to the appropriate certified frequency coordinator before filing with the Commission. After coordination, the applications are filed with the Commission as set forth herein. (See §§90.127 and 90.175 of this chapter.)

(2) Applications and other filings may also be hand carried, in person or by courier, to the Mellon Bank, Three Mellon Bank Center, 525 William Penn Way, 27th Floor, room 153-2713, Pittsburgh, Pennsylvania. All applications and filings delivered in this manner must be in an envelope clearly marked for the "Federal Communications Commission," addressed to the attention of "Wholesale Lockbox Shift Supervisor," and identified with the appropriate Post Office Box address as set out in the fee schedule (§§1.1102-1.1107). Applications should be enclosed in a separate envelope for each Post Office Box. Hand-carried or couriered applications and filings may be delivered at any time on any day. Applications or filings received by the bank before midnight on any Commission business day will be treated as having been filed on that day. Materials received by the bank after midnight, Monday through Friday, or on weekends or holidays, will be treated as having been filed on the next Commission business day.
